

Putter Fitting Application

Startup Guide

1) Sign in as: (will exit program)

- a) Username : "admin"
- b) Password: "admin"

(This will add a users.txt file)

2) Click "Sign In As Guest" (will exit program)

- a) Click through options until the end

(This will create the putters.txt file)

3) Sign in as: (Will load new person setup)

- a) Username: "admin"
- b) Password: "admin"
- c) Handicap: leave blank
- d) Fill in others as you see fit

(This will add the admin to the users.txt file)

4) Sign Out, then Sign back in as:

- a) Username: "admin"
- b) Password: "admin"

(This will sign in as admin, instead of a consumer)

5) Now you can add putters into file

- a) You will have to have at least one for the program to work

(This will add putters into the putters.txt file)

6) Now the program will work as intended

(Now there will be data in all files)
